<b>Personal Support Worker Program **</b>	<b>Graduates, as entry-level unregulated workers, have the knowledge, skills, and attitudes necessary to provide personal care and home management services to clients in both community and institutional settings. Personal support workers work with clients who are stable and who have clearly identified needs that are not expected to change significantly. They work under the supervision of care/service teams (which include nurses, and other regulated or non-regulated care providers), as well as under the direction of the client.</b>		<b>Ontario College Certificate</b>		<b>Interested agencies are encouraged to contact Lisa Wells (LWells@FanshaweC.ca) for a customized schedule **</b>	<b>Woodstock Campus</b>	<b>\$6, 455.32 + Textbooks of approximately \$400.00</b>
